Throckley Reigh is also a T.A.A. water members only. Access is by parking on Blayney Row, at the top end of the road you walk turning right behind the houses, you will come across a Bridal Gate, you then staying on the right hand side of the field, approx. 10 minute walk brings you onto the Reigh Pond on the left. 8 pegs are on the path side up from the notice board. My advice would be to make time to visit and make yourself familiar with all areas.

All members must abide by the rules for the close season on the river.

Throckley Reigh there is no close season.
