

Wyden Water, Hexham

Wyden Water, comes under the control of Hexham A.A.

6. T.A.A. Members are allowed to fish per day.(SEE INFO.).

Travelling West through the High Street of Hexham , with the cathedral on your right still on the main road, as you go around the bend on your left your looking for St Cuthberts Lane. Travel to the top when the road forks take the left then short right you will see the sand stone with Wyden Water engraved on it. Car parking is free with 2 disabled bays and 5 parking bays.

Please look at the notice board before fishing. There is a tarmac path on your right taking you down to the water, or you can go to the left to bring you on the water good for Trolleys. when on your peg there are approx 20.

Do Not block the path. The Pegs are made of recycled plastic and are ideal to fish from. Species are Roach. Tench. Rudd. Crucians. NO CARP. Keep nets allowed. Barbless hooks. T.A.A. CLUB MEMBERS AND Yearly T.A.A. members are allowed to fish. Booking is essential plan ahead . No Night Fishing. Tight Lines.

I am happy to receive text messages, emails or telephone calls from members who would like to fish at Wydon.

It is vital that TAA affiliated club members **book in advance** of any fishing trip and that they receive **confirmation** from myself that there is a place available for them to fish at the venue before they travel to fish. The reason for this is that it is possible that the limit of six complimentary tickets might already have been booked or reached.

I would hope that anglers wishing to book would do so in a timely manner and whilst anglers could contact me at any point in time to request a booking obviously I am not on call 24 hours a day (although it often feels like I am ) I would aim to try to respond to requests promptly.

It would not be acceptable for any TAA affiliated club members to assume that they have been authorised to fish just because they had sent a request to book a ticket and had not yet received a reply to confirm whether a ticket was available or not.

Wydon Water, Hexham

Hexham Anglers' Association

TAA Members

Are allowed six tickets per day to fish
Wydon Water Coarse Fishery

Tickets

MUST BE OBTAINED
Before fishing from

Andrew Jackson
Honorary Secretary H.A. A.
